Just as he was going to dodge behind a tree a powerful fireball sent him flying into the trees knocking him uncoincous , the shield lay beside now with a bit of smoke coming of it.

Now full of concern toothless ran over to hiccup and nudged him. He didn't respond , toothless tried again this time hiccup came round. Struggling to get his breath hiccup looked up.

"Toothless"he whispered.

His voice was hoarse and he saw toothless run off. The dragon filled with sudden tried to get up only to fall down again.

"Toothless" he mumbled as darkness enfolded him.

Meanwhile...

"Come on they have to be round here somewhere" fishlegs told himself. Suddenly who came out into a clearing. It looked like someone had been here before him. He was just about to leave when he noticed a small limp figure slumped against a tree.

"Hiccup"he shouted.

"That's not good" he mumbled as he noticed that hiccups left arm was twisted in an unatrual way.

Fumbling around in his saddlebag he pulled out a price of fabric to act as a sling and a water canteen to try and wake hiccup up with. First he carefully bent hiccups arm. Hiccup groaned a bit but didn't wake. Then he put his arm into the fabric and tied it up on his shoulder.

Fishlegs then opened the canteen and poured it over Hiccup's face. Suddenly hiccup bolted upright causing fishlegs to scream.

"Fishlegs what happened to my arm " hiccup said as he noticed his arm was in a sling and hurt an awful lot.

"Well " fishlegs began." I came to eel island looking for you and found you uncoinsous next to a tree and your arm looked broken so I put in a sling and well you can what happened next" he said gesturing to hiccups soaking wet hair.

A loud suddenly interrupted the silence

"Oh no " the both said and jumped on meatlug.
